NOVA SCOTIA griefalliance SYMPOSIUM

MOBILIZING GRIEF - BUILDING NETWORKS OF CARE

Jude Lightfoot

Northern Zone Grief Coordinator | Nova Scotia Health

Jude Lightfoot is the Northern Zone Grief Coordinator for Nova Scotia Health. In her role, Jude serves both community as well as Nova Scotia Health providing grief education, programming and support to service providers, leaders and community members.

In her ‘free’ time, Jude is a devoted member of Search and Rescue and the Provincial CISM team.

Jude holds degrees in Honors Psychology from Acadia, and Education and Masters of Clinical Social Work degrees from the University of Manitoba.

She has worked for many years in mental health, forensics, justice, domestic violence and crisis intervention in both leadership and direct service provider roles.
