# 2025 YEAR IN REVIEW

The Nova Scotia Grief Alliance is proud to mark its one-year anniversary since launching in April 2025. Over the past year, we have been inspired by the strong engagement and collaboration from individuals, organizations, and communities across the province. Through roundtables, webinars, and our provincial symposium, you have helped build a more connected and compassionate approach to grief support in Nova Scotia. Thank you to everyone who participated, shared their experiences, and contributed to this growing network - your involvement is helping shape a stronger, more supportive future for all.
